

MUSIC DTS

Discipleship Training School

We have begun our planning and preparation for the Music DTS starting on February 11, 2021! Our team is very excited, and we already have over 15 potential students interested, most of which are from Mexico!

The Discipleship Training School (DTS) is a 5 month program that is designed to give students an opportunity to grow in their relationship with God and to learn how to make Him known. If you or someone you know are interested in this opportunity, I would love to talk with you more!

Our DTS has a music focus, so part of my role will be leading music workshops twice a week during the lecture phase (the first 12 weeks of the school). These workshops are designed to teach students how to better use their musical talents to further the kingdom of God. This is a dream that God put on my heart years ago, and I'm so excited to finally have this opportunity!

CHILDREN'S MINISTRY

Christmas Outreach

Since October, I have been a part of our children's ministry. We met weekly on Wednesdays for bible teaching and rehearsals for a Christmas musical drama. Each week we read one of the prophecies in the Bible that points to Jesus' birth and learned how the Christmas story fits into God's plan for salvation. After performing the Christmas drama on our sidewalk on a Friday evening, we celebrated with the children and presented each one with a few gifts including their own Bible! About 60-70 neighbours from our community heard the gospel through this presentation, and a number of people were interested in connecting with us more in the new year.
