## PREPARING FOR OUTREACH

*what is outreach?*

In just over 1 week we will be beginning our 7-week outreach!! In the past few weeks, Fany (the other DTS outreach leader) and I have been planning and organizing. We will be driving about 6 hours from our base to the Huasteca Potosina and ministering there for 5 weeks, and then we will head to the state of Veracruz for the final 2 weeks. As we go, we will be open to the different opportunities that God gives us, but we also have some specific ministry planned. In the Huasteca, we will be doing house visits, children's ministry, workshops on evangelism, worship and Godly identity, and serving in the local church.

Our last 3 weeks of lecture have had topics that will be particularly useful during our outreach. We learned about Evangelism, Frontier Missions, and Apologetics. All of these themes are focused specifically on **making God known**, which is one of the main goals of outreach. Previous weeks have been focussed on **knowing God**, so that we know *Who* we are sharing!

I translated one of our classes on Frontier missions. We learned more about unreached people groups in all parts of the world!

In addition to the classes, we have given the students time to work on dramas, devotional messages, workshops, songs, and other programs to be able to evangelize and teach. All of these things are tools that we plan to use to continue working on the Great Commission to "go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I [Jesus] have commanded you" *Matthew 28:19-20*

## Preparing for Outreach

### OUTREACH VIDEO

The DTS students have put together a short video that explains our outreach and how you can partner with us! If you're interested, you can follow [this link](#) to watch the video. As of the date of sending this newsletter, our team still needs around \$2500 CAD for the costs of travel, food, and ministry costs.

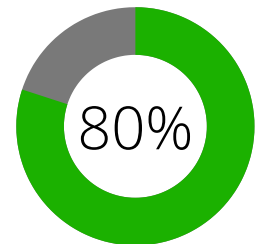

### 100 DAILY PRAYER PARTNERS

I am still looking for more **prayer warriors** to join our team, covering us in prayer daily and preparing the way for our team. If you are interested in joining our team, please let me know!

### FINANCIAL UPDATE

God has been faithful in providing, and I am so grateful for all of the generous support I have received from you! Your financial gifts are a tangible way to invest in the advancement of the kingdom of God. I am still looking for a few more people to commit to regular monthly support, so if you are interested, please let me know!
